---

## Product information

- The sock is a disposable product that can be used on and off for a total of 25hrs
- Latex free
- 3-year shelf life (proven efficacy)
- Non-washable
- Safe for sensitive skin

---

## Keep your feet free of bacteria and viruses

Wear at the spa, wear at the clinic or doctor's office, wear when you go to the gym, wear in hotel rooms, wear any place that you need to take off your shoes.

The socks are treated with the TrioMed Active Technology to protect the product.  
The socks help protect against certain contaminants but does not eliminate exposure to or risk of contracting diseases or infection.

---
